

TO REDEEM YOUR VOUCHER YOU MUST FOLLOW THESE INSTRUCTIONS:

Purchase: Purchase Qualifying Hardware or Qualifying Software, as described on the back of this form. Purchases must be made after April 15, 2003.

Proof of Purchase: Include photocopies of (1) the dated receipt listing the product(s) purchased with price(s) and (2) a box top or other original packing material with UPC bar code or a proof-of purchase mark for each item of Qualifying Hardware or Qualifying Software purchased toward the redemption of your Voucher.

List Products: Complete the *List of Products Purchased* section on the back of the Voucher.

Signature: Sign your name in the space provided on the front of the Voucher.

Mail your completed Voucher and documentation

by June 17, 2010 to:

**Settlement Administrator

Portland, OR 97208-4277**

General Purpose Vouchers may be redeemed for:

- Any Qualifying Hardware - personal computers, laptop computers, Tablet PC's and Apple Macintosh computers, printers, scanners, monitors, keyboards and pointing devices (e.g., mouse, trackball, etc.)
- Any non-custom software used with the hardware acquired through the use of General Purpose Vouchers
- "Professional Development Services" or "IT Support Services" used in connection with the hardware or software acquired through use of the General Purpose Vouchers and/or Software Vouchers
- Equipment needed for networking and infrastructure (e.g. routers, servers, wireless network cards, or wireless access points)
- MSNTV units and access for students' homes or comparable technologies in the market
- Certification training for software and networking
- Tablet computers or comparable technology that may become available
- Non-custom assistive technology devices and non-custom software designed for use by students with special needs

Software Vouchers may be redeemed for current or future:

- Microsoft operating system software (e.g. Microsoft Windows)
- Word processing software (e.g. Microsoft Word)
- Spreadsheet software (e.g. Microsoft Excel)
- Presentation software (e.g. Microsoft PowerPoint)
- Desktop relational database software oriented towards single users and typically residing on a standard personal computer (e.g. Microsoft Access)
- Web-authoring software (e.g. Microsoft Front Page)
- Productivity suite software (e.g. Microsoft Office or Microsoft Works)
- Encyclopedia software (e.g. Microsoft Encarta)
- Server software including client access licenses

The above can be purchased for either personal computers or Macintosh computers.

Software Vouchers may also be redeemed for non-custom software titles, produced by other companies, that have similar functionality *and* compete with any of the above-identified Microsoft software titles *and* can be used with Qualifying Hardware.
