

## Riverdeep's *Destination Success*<sup>®</sup> & 21<sup>st</sup> Century Community Learning Centers

The 21st Century Community Learning Centers (CCLC) program provides services, during non-school hours, to students and their families for academic enrichment, including tutorial and other services to help students, particularly those who attend low-performing schools, to meet state and local student academic achievement standards.

Riverdeep is a leading publisher of educational content and developer of interactive learning tools that engage children and empower teachers to realize success. *Destination Success* is the complete reading and mathematics courseware for districts that operate their own 21<sup>st</sup> Century Community Learning Centers. *Destination Success* includes the award-winning *Destination Math*<sup>®</sup> (K-12) and *Destination Reading*<sup>®</sup> (K-8) courseware.

21 <sup>st</sup> CCLC Requirements	<i>Destination Success</i> Features
Remedial education activities and academic enrichment programs, including additional assistance to students to allow the students to improve their academic achievement	<i>Destination Success</i> is easily integrated into 21 <sup>st</sup> CCLC programs via the Learning Management System that tracks each child through assessment—assignment—assessment—reporting features.
Programs must be proven to be effective in raising student achievement	<i>Destination Success</i> has been shown to be effective in numerous school-based studies and has been demonstrated to increase student achievement in as little as 90 days.
Mathematics and science education activities	<i>Destination Math</i> provides a full curriculum from Kindergarten through Algebra I based on the Standards of the National Council of Teachers of Mathematics.  <i>Destination Science</i> for grades 4-8 will be available in 2006.
Programs that provide after school activities for Limited English Proficient students that emphasize language skills and academic achievement	<i>Destination Reading</i> is build on the National Reading Panel's five elements of reading instruction—phonemic awareness, phonics, vocabulary, fluency, and comprehension.  <i>Destination Math</i> is available in Spanish.
Programs that provide assistance to students who have been truant, suspended, or expelled to allow the students to improve their academic achievement	The portal version of <i>Destination Success</i> allows students, parents, teachers, and administrators to access the program anytime, anywhere, and encourages the home-school connection.
